“ Charlotte

*I just learned of Ron's passing last week. Ron and I had both retired from the post office. We had worked together for many years. I will always remember his laugh and his ability to take a short story and spin it into a tall tale. Please extend my heart felt sympathy to your entire family. “ We will remember the Bangs reunions, or visiting within each family, when Ronnie would be sitting, bent over and with his elbow on his knee, than as he began to speak you knew you were in for a long story. At the end, you were not sure to believe him or not, but laughing or frowning, you knew you had enjoyed the time spent with him. Does that ring a bell with all of you?  
Remember the good memories, as they will help you thru this time!###imported-begin##Margie, John & Linda Jackson###imported-end##
