“ RV was my father in law, I don't know where to start with words so small for a man that was larger than life itself. He was not only unique but truly one of a kind. Everyone would acknowledge that. He loved his days of driving the concert trucks for artists like Willie Nelson, and Waylon Jennings. Later he worked with his son Clint and myself setting exhibits and all our coworkers from Las Vegas, Dallas, Utah and New Orleans loved him. They called him and Clint legends in our Czarnowski Family. His smile was always on his face, he would bring such laughter with his stories, he always had a story and some sort of snack candy to give ya. Never hesitated to help anyone and never met a stranger. He was a man filled with love, kindness and hugs. I will miss hearing your quirky one liners like "hey there chickadee " and "wazz up". I am honored to have known him and be a part of his family. I love you Ronny, rest peacefully.

“ *Condolences to Connie and the family. So sorry to hear of Ronny's passing. We went to school together and had some of the same friends. I remember one time he came up to the Dairy Mart (where we all hung out) with a huge Alligator Gar in the trunk of his '57 Chevy. We also went to the stock car races (I believe in Crandall) one time. He was liked by everyone. Nancy Watkins*

“ *Ronny was the best brother that I could have ever hoped for. He loved me unconditionally and I know this because every time I saw him or talked to him, his last words were "I love you Sis." He was the most kind, caring, giving and loving person to everyone. He never met a stranger. My heart is breaking for his boys and our family who loved him so. There are not enough words to even begin to express the loss of this gentle loved one. He was loved by many.*
