“ When we were all growing up Jr. was the cool older cousin that we all tried to hang around everytime he came to town & yes, always tryna be funny. I regret not being around him much throughout my adult life. Even tho i never seen the angry side of him i know he had one but thats ok, aint none of us perfect. I'm sure he was the same good guy he always was till the very end. That's exactly the Jr i will forever remember.. no doubt. I hope that his mom, wife & children find comfort in knowing he's at peace & knowing his memory is alive in them.

“ Junior was a good friend with an amazing family. He was very proud of his kids and you can see him through them. His legacy will live on through them and Kristy. I thank god for leading me to this family. Junior has shown me what true friendship is. He will be missed by many and remember by all that met him. I pray for peace and comfort for his family.
