“ As long as Elcany could handle the FB, he and I kept in touch. When he could no longer write to me, I kept up with him through the family on FB. Our memories go back to Lancaster High School---- such a good time in our lives..

“ I lived around the block on Hilltop Circle and grew up with the family when Keri Evelyn and I played, rode our bikes and ran with the kids. I am so sorry for your loss and will always have fond memories.

May the Lord bless and keep you always!

“ My family, the Richard Scott family have known Elcany for years. I grew up in Desoto with his children and went to school with his niece, Kerry. He was always nice and sweet. He will be sorely missed. My prayers are with his family.

“ *I got acquainted with Elcany during our freshman year in high school - been friends ever since. we had a lot of fun together, especially during our senior year. I always enjoyed visiting with Elcany during our school reunions. He never let the "facts" get in the way of a good story. :) He had his own opinions about any topic you wanted to discuss - and, he certainly didn't mind sharing them with you. :) Elcany was a "one of a kind" man; and, I'm certainly glad to have known him. My deepest condolences to Karen and the rest of the family - I know you will miss; as will I.*

“ *Roy Spurgeon, Elcany, was my good friend and customer at Acapulcos's restaurant in Desoto and at Waffle House in Desoto. ... If Roy liked you, he would give you a hard time. I appreciated that seal of approval. He was fun loving, quick witted and had a wonderful mind for details. I enjoyed knowing Roy, his wife, brothers and meeting family.*

*Roy, you will be missed by a very loving family and friends... Most of all, I will remember your humor but as well, your honesty.
