“ Rusty loved to get a rise out of people. Every memory I have of him, has him picking at someone. After I getting older I understood him more, in his own way he was telling you that he loved you. Going to miss him.

“ Living with my Grandma and Papa off and on as a kid

*My first memories of you were waking up on Sunday mornings Grandma and you talking about life. Good, bad or in different.*

*You were always very open, honest and soft with her. ( y'all thought I was sleeping)*

*That's the man I knew, seen and loved.*

*Maybe she taught me how to communicate with you. When you wouldn't listen to anyone else.*

*Thank you for trusting me to care for you your last 3months, it was a honor.*
