“ *My Nanny was an incredible women and we will all miss her everyday. Every time you would see her she would kiss you hello and kiss you goodbye and made sure she had a plate wrapped and ready to go with you. She did a lot for us grandkids I remember coming home from work and could always tell when she had been over because all my laundry was washed, folded and put away. She loved us all very much as did we and I will always hold her in my heart. Love you Nanny! Michelle - m&m motor mouth*
