

Sandra Lynn Swanner

July 18, 1946 - January 5, 2024

Sandra Lynn Swanner was born July 18, 1946 in Antioch, CA and graduated to Heaven January 5, 2023 in Celina, TX.

Sandra was fierce about her desire to have a close family, ensuring that her children grew up with close family bonds. She modeled self-sacrifice to keep family united during the formative years all while instilling strong family values. Her courage to walk through tough situations was always inspiring. She enjoyed country music, dancing, a nice glass of wine and had an impeccable sense of class and style.

She was preceded in death by her husband, Jimmy Ray Swanner; her sister, Sue McCamey; and her parents, Robert and Verle Hazelton along with a host of other family and friends that we are sure were present to greet her with open arms.

Sandra is survived by her children: Sonya Trevino and her Husband Ricky, Karen Vasquez and her husband Gabriel, David Kelsey and his wife Sheila, and Kevin Swanner and his wife Paige; her grandchildren: Sharice Baxter, Marissa Benton, Ian McAlister, Duncan McAlister, Sean Kelsey, and Megan Swanner; and her great grandchildren: Arya Walker and Abra Brock.
