“ Dear Grandpa, thank you for being the amazing best grandpa anyone could ever ask for. You were always there for everyone and never judged anybody. You cared about everyone and always wanted everyone to love each other no matter what. Family and get togethers was very important to you and breakfast on Sundays was always a special thing since I was real little! And when I would ask sometimes what grandpa was doing well you were sitting down watching wrestling and drinking coffee!! All the memories you have left behind will always be cherished and you will always hold a special place in my heart. I love you grandpa! I know my mom was there with god to welcome you with open arms. Two beautiful angel's flying high! 💜💜

*I hope you're dancing in the sky
And I hope you're singing in the angel's choir
And I hope the angels know what they have
I'll bet it's so nice up in heaven since you arrived*
