“ *I'm very sorry about Ms. Born's passing. I had a good time in her homemaking class. This was 1972, my 6th grade year. She was so fun. Some of us made popcorn balls, while others, including me, made fudge. Ms. Born thought our fudge wasn't quite thick enough when we were done, but it was still delicious all the same. My thoughts and prayers to all her family.....##imported-begin##Martin (Marty) Honeycutt##imported-end##*
