“ It seems like yesterday that we were all sitting laughing and talking about how to solve the worlds problems. We really enjoyed anytime we could hang out with Scott and Laura. Scott Was always smiling even in the hard time in cancer he would make you laugh And not just laugh but the belly laugh. I loved hearing the riding stories Especially how Laura would beat both Billy (my husband) and Scott going up the hills. What a great man of God with a servant heart and a gift to make others smile. I know he will be so missed By all who had the honor to know him.

“ I have so many fond memories of spending time with Scott and Laura. They invited me to bicycle across Florida in the Cross Florida Ride and we rode together on Bike Safari in northern Florida. I also have fond memories of riding with Scott in KY. I particularly remember one of the Clarksville Centuries as we tackled the hills at the end of our hundred miles. Also, Harold and I had the privilege to be invited to Scott and Laura's home for Thanksgiving. We all left Florida and went in different directions but always kept in touch. Love you both so much.
