# Tribute Wall

“ For many many years Shirley was a big part of W H Adamson's Class of 1965 Reunion Committee . We graduates from this class really appreciated her hard work, vivacious personality, attention to details, and her continuous smiling face. She always added so much to every reunion we have had. One year she carried off most of the reunion by herself with very little help. She was always a go getter and usually the last one to bed.

*Bendy meant so much to Shirley. She always had lots of stories to tell about her beloved daughter!*

*And if you knew Shirley you knew car racing was her passion. She always had lots of stories to tell on that subject.*

*We were friends and she will be missed by many!*
