“ *I wasn't able to know Shirley that well. Our band (the Mystics) had broken up before our meeting. The first time I remember her was when we were recording the Struble Brothers album. Miss her dearly. God bless the Mitchell family.*

“ I first met Shirley when she was a very little girl. The first thing everyone saw of her precious little soul was her beautiful smile. In all the years that followed, I never saw her without it. It was the window to knowing who she truly always was. That smile & Shirley will shine forever in our hearts & minds. It will never go out. My deepest & sincerest prayers, love & condolences go out to her family & friends. Rest In Peace Dearest Shirley. .
