“ We were so sorry to learn of her passing. In conversations with my parents we found that she knew my mom’s cousin from Goliad, Texas and her family embraced mom’s cousin Samuel like family. Small world! Out of the 4 retirees that used to go for daily walks and coffee, my mom is still with us and we’re thankful for that. She’s very grateful to have known Simona and treasure the memories of their time together. May God bless the Garza family with peace and comfort throughout this difficult time.
