“ My dearest Aunt Toni; you will be missed by so many. For fifty years you have been in my life. You are part of why I am here are part of this family. You and my sweet love Uncle Bill were there for my parents to help them be married. You were always there when I was a kid to love me and never have stopped. Uncle Bill, Scott and Renee I'm so sad for your loss. She is the only person I have EVER known that I never heard a complaint or cross word about. I know she watches over us until we can all be together again. Love her always.... Love you guys.

“ Momma Fuller was such a sweet lady. When we visited her at the rehab center she looked so tired but she lit up like a Christmas tree! We had a great visit with her and I'm so glad we had that time with her. She loved her family and will be missed by many, Praying for Strength, Peace and Comfort in the days ahead. She has touched a lot of lives and for this I am thankful to have known such a sweet, caring and loving person.
God Bless the Fuller Family.....
