“ *Best wishes to all Steve's family and friends. He was a classmate and we were friends during high school and afterwards until our lives merged apart. He was always an extremely friendly and personable person, and had an inherent love for life and having fun. David Howard, LHS Class of '73.*

“ I have so many fond memories of Steve when we were growing up. We lived in the same neighborhood and shared a lot of the same friends. He was always funny and sweet. I haven't seen him in many years but thinking of him makes me smile. I know he will be missed by his family and friends. I am sorry for your loss.
