“ *Your friendship was a blessing
And I will miss you so
We Shared so many secrets
You brightened up my days
You brought me so much happiness
With your kind and loving ways
You lifted up my spirits
When I was feeling blue
No matter what was happening
You knew just what to do
We ran between the raindrops
And walked beneath the sun
Ran barefoot in the summertime
And oh, we had such fun
Through all the ups and downs of life
The good times and the sad
The best friend I ever had
God is here to take you home
Now you and I must part
I love you and forever
You will live within my heart.
Forever Susan xoxo*

“ There are so many memories I have. The giant grasshopper in the back field...all the long talks on the front porch with her sitting in that rocking chair...every kid in the neighborhood knew when the street light came on we better be in the front yard...you will forever be in my heart!
