“ I am sorry to hear of Terry's passing. I look forward to seeing her again in heaven where the joy of Jesus will be ever present. She was one of my favorite people in elementary school in Mexia. When her family moved to Lancaster, she would always make it to the tennis tournament for our district just to see those with whom she had grown up. I remember the trio of Terry, Nancy Oberholtzer, and Nancy Forrest winning top talent at the Rotary Club Talent Show. They were cute and a fantastic act. She was always the kindest, sweetest person, even when we all were kids. Not a mean bone in her body. I know all of her family will miss her greatly. We have a future hope because of faith in Jesus Christ which we share. We mourn and rejoice at the same time. God bless you all.

“ I'm sorry to hear of Terry's passing. When Bonnie and I lived in Lancaster back in 1976 thru 2002 we became friends with Terry when Bonnie took care of Andrea for a period of time. That was an enjoyable experience for us. Andrea and family we are sorry to hear of your loss and my prayers go out to you for comfort at this time. Forrest Chevront in Sun Lakes AZ.

“ Continuing to lift this sweet family up!! Mr. Terry and Mrs. Terry taught me way back in Church Training every Sunday night and then as my own child has grown up in the church they have both been there to train up a child in the way they should go. I know the Lord is showing her all the people she has helped train up in the way they should go! Our angel is know getting to watch from above to make sure we continue her legacy.

“ It actually made my heart ache to see the news about sweet Terry. I cannot think of anyone who was more kind, sweet and always so pleasant. “ *I knew Terry through my work at Dallas Baptist Association and her position at First Baptist Church. She was smart, kind, funny and a joy to work with. We actually only saw each other at the annual Day to Remember at FBCL each January for many years, but we'd email back and forth at other times. She will be greatly missed. Our loss is heaven's gain.*

“ Mother and I joined First Baptist Lancaster in December, 2004, and met Terry. As I assumed responsibilities as a teacher and as Chairman of the Transportation Committee, I worked with her often. She was first of all a dedicated Christian and a very skilled administrator. And, her Son, Luke, portrayed Jesus at the Mary Hardin Baylor Easter Pageant, so Pastor Charles and many of us called her "Terry, the Mother of Jesus" which she took with terrific humor and modesty. My sincere sympathy to her husband, Terry, and to the family! BLESSINGS! Morris S. Tyson, Sr.

“ I share your grief, Terry. I know we grieve, but not as those without hope. Terry's hope of heaven was sure, and she lived her life with that certain hope in the sufficiency of the gospel of Christ. I'll remember Terry as a constant presence every time there was a social function in the fellowship hall, and of course I remember Terry as a fellow choir member. Your long marriage and the healthy marriages of your children are a testimony to this world that it should examine the reason for the hope that is in you. There was depth and substance to the love that bound the two of you. I hope your children and grandchildren continue that legacy of hope and enduring love.
