“ Mom - First I want to say thank you from the bottom of my heart for giving me the love of my life, your son Brian. I will never forget how nervous I was to meet you and Lonnie for the first time, however, within minutes of meeting you the nervousness was gone because you made me feel like family and I couldn't have been happier. You gave me a sweet hug and I could see in your eyes how happy and excited you were that Brian had found someone. I got an even bigger hug and saw twice the excitement in your eyes when we got engaged and I will never forget how you treated me like a daughter from day one. I hope and pray that I can help Brian and somehow ease his pain as he misses you so very much, as do I. He was so very proud of you Terry and he loved you with all of his heart. I promise you that I will do my best to take care of both Brian and Lonnie although I know that you will be watching over them as well. I love you and am thankful that I was able to be a part of your life and thank you for making me a part of your beautiful family! With love, Mary

“ Terry was always a bright spot in my work days at Cuplex. She was so talented in all things "crafty", and my special item from her is a framed copy of PRAYER OF JABEZ with beautiful flowers and ribbons on the frame which is setting on my kitchen counter. She always listened with the heart and her smile was beautiful!

Praying for GOD's peace and comfort for her family.

“ To those of us who has the opportunity to work with Terry at Cuplex, she will always be remembered as a super co-worker, Dallas Stars Fan, a wonderful caring friend. She made the long days and weekends go by alittle easier with her "What would you do for a million dollars question book".!!!

She will be missed by anyone who knew her- My thoughts are with you and your family.

“ Terry was so kind and thoughtful. So gifted. Terry made all of us girls at Kountry Klippers our Christmas present from Jackie, a memory book. Specialized for each of us!! I still display it in our home. Terry also made me an elaborate floral frame with one of my favorite scriptures, which to this day is displayed on the head board of our bed. My heart and prayers are with each and every person that loved Terry. I know I do and always will. Jackie, my dearest friend, I'm only a phone call away..
