“ Very emotional night.... I went to bed ask God to tell my grandma I loved her and give her a kiss for me. So I'm asleep dreaming and my phone rings. It's her! I was crying telling her how much I loved her and I was sorry I didn't know she passed. She said, "I know how much you loved me & I'm fine." I ask her where she was and she said, "what do you mean, I'm in heaven!" How are you calling me? She said, "this place is like nothing you could ever imagine, it's not what you think." I told her I would go see grandpa as soon as I could. She said, "he would love that, make sure you do it soon he's getting to be an old man." She said, "don't worry about me, I'll see you again one day." I told her I loved her & she said she loved me and then I woke up. For me to say last night I'm gonna miss her sweet voice just to hear it hours later! Seriously ?!! I am beyond grateful to go to bed guilty and wake up relieved... Even when I don't deserve it God shows me how much he loves me. I am a super BLESSED woman!!##imported-begin##Amber Jenkins##imported-end##
