“ *Norma Jean, Tim, Kevin: So sorry to hear about Footh. Wanted you to know he was a special man to many of us. Always fun to be around. Great memories growing up, at the lake and your home, playing sports, hunting and fishing. Really a good influence on me. Sorry for your loss. One favorite memory: Footh riding the bike while sitting on handlebars facing backwards. What talent!*

“ Gee, I don't really know where to start...there are so many fun and special memories to share. Family camp outs at Navarro Mills, trips to Hot Springs to the horse races, dances at Cedar Canyon, lots of week ends deer hunting all over Texas, Jaycee youth activities with Eugene and Slick coaching the boys. They mostly had winning teams too!

Eugene has always been one of my very best friends and buddies since high school and we have shared a lot of good times over the years. We both have December birthdays but he is always quick to remind me I am older, just a few days but I am the oldest !

He is a special guy and will be missed. I see his smile and hear his laugh.

*My love and hugs to Norma Jean, Tim, & Kevin,
Sue

*Norma Jean, Tim, Kavin,
There are so many cherished memories I have of Foots and our lives together. How special the memory of Lance's Grandma & Grandpa dancing at his wedding....and a treasured picture of Foots, Daddy and Lance playing golf....Lots of good times that make me smile. May the memories ease your sorrow. I keep you all in my prayers always. Love,
Donna*

I've known "Foots" since the 1st grade. I've considered him a good friend for many, many years. He was always very competitive – if he didn't come in first, it was certainly not for a lack of trying. We'll certainly miss him at our school reunions. My most sincere condolences to Norma Jean and her family. Harold Thompson
