“ When I first met you we were in 3rd grade at west main. You, Tracy Rich and I were the three amingos and were the best of friends. I remember the times we hanged out at your house on Redbud and had such a great time, and also all of those cats you had and how we played and took care of them. I remember when we were in high school and hanging out with Laura Sammons and Malinda Foster at Laura's house and we partied so hard and had a blast. I remember how you always lite up a room and knew how to get things going and how to party. Tiffany you accepted everyone that came your way, and never once turned them down. I will always and forever cherish your memories in my heart and I will forever miss you my sweet dear friend. I love you forever and you will always have a special place in my heart.###imported-begin###Shannon Rogers Dunbar###imported-end##
