“ *Met Tony back in the 1980's when he had his shop in DeSoto. Tony always had a smile on his face and remembered your name. He made you feel welcome and always took the time to chat. Tony was the only one we trusted with my wife's jewelry and over the years, he made us several custom pieces. I am saddened by his passing. He will be missed. Till we meet again Tony, GOD BLESS YOU !*

“ Over the years we came to know Tony as a friendly and trusted businessman. He never failed to greet us with a smile and ask how our family was doing. Because of his jewelry making talents and knowledge we referred many friends and family to him, knowing they would be treated well. We will miss his hearty and infectious laugh. Our deepest condolences to the entire family in your loss of his presence.

“ *Tony was the most loving, caring and funny guy we knew. We go back 35 years. We met him, his beautiful wife Barbara and daughter Ashley I believe was 2 years old in Desoto. He became our jewelry and what an artist he was. From there a beautiful friendship began. Our hearts are broken 💔, Our prayers go out to Barbara, Ashley and family. May God give you the strength you need to get through this rough time. We all love you and are here for you. Your dad was truly loved by our family. Love Calvin, Roann Sulak and family.*

“ *Tony was a sweet friend for over 4 decades (ugh, makes me sound really old, huh). And what an incredibly talented jewelry craftsman. He made innumerable beautiful pieces for me through the years, and each piece he made matched my vision for it perfectly. All his pieces are still my very favorites. Even after I moved to Arkansas 21 years ago, I still would drive over 5 hrs one way to DeSoto for any and all jewelry work... he was that good! And he always had a kind word and a friendly welcome for me, no matter how busy he was. He will be so missed. But I'm happy he is now restored to full vitality in Heaven, which I know is where he went. I'm sure he will be immediately put in charge of crafting all those jeweled crowns needed there! He's the best! My love and prayers are with Barbara, Ashly, Duane, and the rest of his family. Missy Masterson Hale, RN*
