### MOTHERS ARE SPECIAL

There is no love like a mother's love,  
no stronger bond on earth  
Like the precious bond that comes from God,  
to a mother when she gives birth.  
A mother's love is forever strong,  
never changing for all time  
And when her children need her most,  
a mother's love will shine.

God bless these special mothers,  
God bless them everyone  
For all the tears and heartache,  
and for the special work they've done.  
When her days on earth are over,  
a mother's love lives on  
Through many generations,  
with God's blessings on each one.  
Be thankful for our mothers,  
for they love with a higher love  
From the power God has given,  
and the strength from up above.

“ Just 3 months ago when she was already very weak...I was going through a very hard time. I went to the nursing home and sat on the floor in front of her, put my head in her lap and said "Mother, I need you to pray for me". She just patted me and prayed such a precious prayer for me. Thank the Lord for my Mothers prayers.
