“ Vicky I am in shock I have found your son on Facebook months ago and he just answered me 15 minutes ago I didn't know that you have passed I am so sad. I remember all the fun times we had are garage sales you at the resale shop in Duncanville your precious home and how excited you were becoming a grandma the first time to Olivia we had prayer full times when your beautiful daughter was overseas in Taiwan. The day you got Cola and being your ear and the shoulder to cry on with Jay Bob call Vicki I tried to find you in Red Oak drove around drove around. The last time I saw you we went and had Italian. You have been missed but I always hoped I would find you and see you again. So rest in the Lord Vicky and I will see you later at the gate. I offer my condolences to her devoted daughter. Her beautiful grandbabies. And sister Lisa

“ *I remember all the time I spent at your house and your dog Asia. That dog hated me and I was mortified of the deer on the wall. I can still hear your moms voice messing with me saying get her Asia me running through the house screaming and your momma about falling on the floor laughing. My best memories of are your house and momma Vickie and daddy Jay. Hugs and prayers to y'all.*
