

Wayne Holmes Hall

April 20, 1935 - June 22, 2011

Wayne Holmes Hall passed away peacefully in his sleep early Wednesday morning, June 22, 2011. He was born on April 20, 1935 in Winona, TX to George and Medoria Hall. On June 27, 1954, he married the love of his life and his best friend, Iva Oxford Hall. He was preceded in death by his son, Michael Wayne Hall and survived by his wife, Iva, his daughter Penny and her husband Chuck, and two grandchildren, Christopher and Jennifer.

Wayne was one of seven children, three brothers and four sisters. Two sisters, Adelle "Dutch" Hall Allen and Sunshine Hall Courter and one brother, Bobby R Hall, passed on prior to Wayne. He is survived by sisters Pattie Hall Saylor and Bertha "Bert" Hall Wilson and brother, Ted Hall.

Wayne attended Lancaster Senior High and worked hard throughout his life until he retired. He always found time to have a little fun, always greeted you with a smile (and maybe a hug) and carried a great sense of humor right to the end. He delighted in his family and always put their needs and wants ahead of his own. He was a highly respected Sales Engineer with Union Carbide and ESAB Welding Products and enjoyed sharing stories with his family, friends and coffee buddies about the many characters and experiences he encountered during his life.
