“ The family wishes to give particular thanks to several companies
and organizations who went above & beyond what was to be
expected throughout Weldon's long battle with cancer.

*First we would like to thank Home Depot and his many friends at the
Plano store.*

*Next we are indebted to Emily's employer Cornerstone School of
Allen who allowed Emily's the freedom to be by Weldon's side
during this last year.*

*No words can express the care and support that we all received
from UT Southwestern. More importantly the doctors and nurses at
the Simmons Cancer Center provided the HOPE necessary at each
and every step along the way.*

*And finally thanks to Faith Presbyterian Hospice who provided the
care that allowed Weldon to spend his last few weeks at home,
which was were he wanted to be, more than anything else*

“ *The Pathway the Never Ends*

We follow a pathway that has no end as we travel through life day by day.

Together with those who are dear to our hearts and are there by our side, come what may.

But sometimes a loved one must travel ahead for reasons that aren't always clear.

And we're left behind to continue along, missing one who is no longer here.

And while it may seem that the pathway has stopped, it merely has a rounded a bend, And our loved one goes on to a much brighter place down the pathway that has no end.

“ love you uncle Weldon... even though my heart hurts from you being gone, I know you are pain free now and are no longer suffering. My entire life involves memories of you and family gatherings with our families. You have given us so many memories to carry on and crazy funny stories that involve "Uncle Weldon". I can just hear your laugh and picture you and my dad playing fooseball together...and just so many good times. I am just so glad I got to put my arms around you that one last time and tell you I love you.
