“ I just heard Terry passed away. I am so deeply sorry for your loss. I went to school with Terry many years. I had heard he moved to Florida. He was a great artist and so kind and funny. I can still see him playing in the band cornerstones and swinging that reddish blonde hair. I transferred from SOC to Carter and we had not moved yet. Terry picked me up every morning to take me to Carter ..I will continue to share my story so Terry is not forgotten...prayers for you all..
