“ *So hard to lose school friends. We became classmates from 6th grade through graduation in Lancaster.....then went separate ways, touching back... now and then....catching up on friends, classmates and family. May God hold Billy's,(a.k.a., Leach,) family tight as they lay him to rest. A good and longtime friend.....he will be missed by all.*

“ Mark, My heart goes out to you. I know what it is to lose a parent. Both of mine have gone on to be with the Lord. The one thing you can take comfort in was you were there for him everyday. Without the care you provided him, his life may have been shorter. I know my Parents would have been, and I thank God I and my sister were in a position to go and take care of them so they could stay at home. Praying for you and your family.

“ What a force. Bill was so generous to his family and spoiled his grand children to excess. Though we will miss him and many will miss him, I know he was ready to see our Nana/Moon.

“ mark and gregthoughts and prayers are with you and family at this time.....leach has always been my brother in law....traveled many roads with each other....fished many waters, hunted lots of woods, bogeyed/double bogeyed many holes together.....today, i am saddened by his loss, but most of all, the many years i did not keep in touch.....that's on me, not him.....god bless and love.....

“Lancaster Tiger's biggest fan. I will always look to see if Bill and Mark are there when I go to football, basketball or track. I even looked last night hoping to see him. The tiger's played a great game last night and he would have loved it. Bill would even talked to the coaches and players so they understood what they needed to be doing. He and I would discuss politics on which we rarely agreed and you know he always assured me he was right and I was wrong. Loved this big hearted man. I will always still look for him when I go to tiger games. His last game, I think,, was the play off with Woodrow Wilson and he was on the front row. Thank you Mark for always seeing to your Dad.
