“ *Susan & the Pugh Family...*

God decided He needed another angel on December 28, 2012. I am lifting you all up in prayer. Remember joy comes in the morning. He is resting in the sweet arms of God in heaven now. Joy is hard to find in a moment like this but look to the good times you shared and, the memories you have and the love that you still have in your heart and it is sure to help ease the pain just a little.

Prayers going up!

“ Willie Lee Pugh

Bubba my one and only brother, I love you.....I only hope you knew how much. You were an amazing man. Blessed in so many ways. One only has to look at your family wife,son,daughter,and your very precious granddaughters to see that you were a caring,giving tender hearted loving man.How proud I am to call you Brother. You drove me crazy sometimes in my much younger years, as siblings most often do. What I would give now for some more of that. You always wanted to protect us all,what a weight to carry. Only having one older sister (Reatha),and all the rest little sisters Peggy, Sandra, (Loretta), myself and the baby Donna, must of kept you busy at least in your prayers.That I know you did a lot of, for all your family. The way you always wanted to make us laugh with that corny thumb thing or try to get us to at least smile has now became a precious memory that I will always hold dear to my heart.Thank you for giving us an extension of you through you beautiful family to join us in keeping your memory alive. As we lay you to rest on the day our dear mother passed only a year ago. I know she is waiting for you with your little girl Tammy by her side and the rest of your loved ones to take your hand and walk with you in the promise land...save a spot for me dear brother as close as you can to our Lord Jesus Christ right or left hand and know that Ill see you again. Love you, Allison###imported-begin##Allison###imported-end##

*If There Are Teddy Bears In Heaven
Will You Send One Just For Me
So I Can Hold It Close To My Heart
Where You Will Always Be
I Will Take It To My Bed Each Night
As The Angels Tuck Me In
I Will Feel Your Love Surround Me
And Know That You Are Holding Me
In Your Arms Once Again
You Always Said “I Was Your Heart”
That Thought Will Help Me Through
I Will Always Remember

“ Papa, you have been a great grandpa to us. I still remember when I was younger, and you would sing songs to us and do magic tricks. You were the best at telling stories. I still have memories of sitting in your lap and you read and told stories to me. I remember one day when you were laying in bed, I was telling you good night, and you told me that nobody what happens to me, I will always be proud of you. I know you're in heaven now, and you're in good hands. You're in a place of happiness and health, were you can see the ones you loved and passed before you.
I know you're there, watching us, and you love us. We love you too, papa. And I will always remember you.###imported-begin###Macalah###imported-end##

“ *If I could write a story
It would be the greatest ever told
Of a kind and loving father
Who had a heart of gold*

*If could write a million pages
But still be unable to say, just how
Much I love and miss him
Every single day.*

*I miss you so much, I love you my hero .
My dad had a wonderful heart and was such a giving a person. He
loved my mom so much and my brother and I. He had so much love
for his 3 grand daughters he would do anything for them. I know he
is in heaven but my heart still hurts I will see you in heaven
