“ *Aunt Nonie was full of joy and laughter anytime you saw her! Oh how we will miss those silly jokes that you always told! You always made everyone feel so loved. That was a special gift you had. WE have truly lost a huge part of our family! We love and miss you so very much!*

“ *While I could not be there today for the service I am with you Cayce, Jay, Joe and Chris in thought and prayer. Nonie meant the world to me and I loved her very much. I have many wonderful memories of time spent with her and Jack and I will never forget her unconditional love and sweetness. She is now with her beloved husband and many family members and friends including my mom and dad in Heaven.*

“ Joe and I worked with Jack and Winona in the 4th grade Sunday School department at Hillcrest and that was one of the most blessed and enjoyable times in our life! We loved them both and Winona was always "sparkling"! She was an inspiration and role model for her co-workers and kids.

We will miss her and her loving life. Our prayers are with you, Cayce and your family, in this time of loss, but knowing she is in Heaven, with her Lord and loved ones is a great comfort.

“ Winona and I knew each other both at church (Hillcrest Baptist) and at work at Adelle Turner Elementary. She was a very loving and caring woman. She always practiced what she preached. She loved to talk about her family and friends. She was interested in what my family was doing and how the week had gone. I will miss her smile and her loving ways. My prayers are with Cayce and the rest of the family.

“ Aunt Nonie made my boys and I feel like we might really be loved in that Cayce family. She had such an accepting way to her and she loved EVERYONE. She accepted me and my boys because she loved us not because she had to. She will always be remembered and always loved in my heart. What a high spirited, spunky, fun loving soul she was. She will be sorely missed.

“ Having known Winona Martin since I was 7 years old, I can say without a doubt, she was one of the kindest people to ever walk this earth. I fondly remember days of Girl Scouts, choir practice and sleepovers with Cayce and Mrs Martin. Heaven gained an angel with a great sense of humor, a big warm smile and a heart of gold.

“ When my family and I first moved to Dallas to serve on staff at Cottage Hill Baptist Church in the 80's one of the first families we got to know were the Martins. Winona, particularly, was a constant encouragement and supporter. She helped make the transition an easier one. We will be forever grateful for the family's kindness and the great memories. Our prayers and love are with Cayce and the rest of the family.
